</tbody>
</table>
Special Interest Session I: Choose one of the four following sessions.

- **DukeEngage** *(Page Auditorium)*: DukeEngage provides full funding for students to pursue a summer of service in partnership with a U.S. or international community. As of summer 2019, more than 4,800 Duke students will have volunteered more than 1.6 million hours through DukeEngage, working alongside more than 600 community organizations in 46 U.S. cities and in 84 nations on six continents.

- **Focus Program** *(Rubenstein Library 153)*: Learn more about Duke’s innovative interdisciplinary living/learning program for first-year students. The Focus Program is an exciting opportunity for students to be exposed to ideas from the vantage point of different disciplines across the humanities, natural sciences, and social sciences.

- **Pre-Business** *(Scharf Hall)*: Join us for a discussion on how Duke prepares you for post-graduate study in business. As you’ll discover, students interested in careers in business, finance, and entrepreneurship or innovation have lots of options at Duke.

- **Pre-Health** *(Penn Pavilion)*: Find out how we work closely with students and alumni who aspire to careers in the health professions. Our guidance and advice can help you tailor your undergraduate academics to best meet the qualifications of medical schools, dental schools, veterinary schools, and more.

Special Interest Session II: Choose one of the three following sessions.

- **Bass Connections** *(Penn Pavilion)*: Bass Connections bridges the classroom and the real world, giving students a chance to actively tackle complex societal problems alongside faculty from across Duke. Working in interdisciplinary teams, graduate and undergraduate students collaborate with faculty on cutting-edge research that spans subjects, demographic groups, and borders.

- **Global Education** *(Page Auditorium)*: Learn about international and U.S.-based study away opportunities at Duke. The Global Education Office (GEO) offers 43 Duke-administered semester and summer study away programs directly involving faculty, and liaises with universities and providers for over 130 external programs approved for transfer credit.

- **Pre-Law** *(Rubenstein Library 153)*: Learn about the pre-law process and how Duke prepares you for law school. Being pre-law at Duke means discovering oneself, defining one’s life goals, determining a preferred lifestyle, and developing a strategy for realizing these aspirations.

*Closing Ceremony*: Enjoy a live performance by the Duke Pep Band and hear from dynamic young alumni and stellar current students about why you should choose Duke!

Location: Cameron Indoor Stadium
BLUE DEVIL DAYS

WEST CAMPUS
See complete map of campus in your packet.
A map of East Campus is located on page 8.

THE ONLY BUS YOU NEED IS THE C-1.
